We Don't Just List Houses, We Sell Them!

Announcing Our New Website

Tony Hall & Associates is pleased to announce the release of our new website, designed with a fresh new look, user-friendly navigation, and updated with the latest information about Tony Hall & Associates and our community.

After many months of planning, our goal was to bring everything into one useful place for our clients, agents, associates, colleagues, friends and community.

The new website is an ideal resource for anyone who wants to keep up to date on the greater Chapel Hill community residential property scene. Additionally, it is designed to serve as an excellent community resource especially when combined with our Facebook and LinkedIn pages.

Here are a few highlights of the new website:

For Buyers:

- We list buyers' resources at the bottom of every page
- Search residential listings including our Tony Hall & Associates exclusive listings and MLS listings in our area
- Useful buyers' information including mortgage rates, amortization schedules, closing costs and tools such as a mortgage calculator and a form based guide to better determine how much a buyer can afford. We even post the latest mortgage rates right on our home page.

For Sellers:

- We list sellers' resources at the bottom of every page
- Information on how to choose the best sales agent

- Breakdowns on our firm's performance including statistical breakdowns
- A listing of the hassle-free services we offer
- Information on our agents and their qualifications and designations

For Our Community:

- For seniors we offer information on housing options, relocation packages and community resources such as the Seymour Center.
- We post community announcements and upcoming events right on our home page. To receive these community announcements join one of our social media sources:
